**TANAKA to Provide Medals Expressing the Exhilaration of All
Participants and the Event's Excitement
for the Tokyo Legacy Half Marathon 2026**

TANAKA PRECIOUS METAL GROUP Co., Ltd. (Head office: Chuo-ku, Tokyo; Group CEO: Koichiro Tanaka) will provide the gold, silver, and bronze medals that will be presented to the top three finishers in the half marathon (elite athletes) and elite para-athletes (wheelchair and visual impairment) award categories at the Tokyo Legacy Half Marathon 2026. The Tokyo Legacy Half Marathon 2026 is organized by the Tokyo Marathon Foundation and will be held on October 18, 2026. TANAKA will also produce and provide finisher medals for every runner who completes the race.

*If the top three finishers above have a guide runner, a medal will also be provided to the guide runner.

■Medal Design Symbolizing the 2026 Event Concept of “Authentic”

The medals were designed based on the Tokyo Legacy Half Marathon's desire to create an event where everyone, from elite athletes to recreational runners and all those cheering them on, can discover value in their own way and genuinely experience the joy and appeal of running. On the front side, the design features a logo pattern that spreads out toward the top, expressing the exhilaration of everyone taking part and the excitement of the event. On the reverse side, “Tokyo Legacy Half 2026” is expressed in Braille, along with the logo, the word “FINISHER,” and the date of the event. The medal ribbon was designed with the event logo motif, which resembles a tapestry woven from individual lines representing each runner, volunteer, and spectator. Since the inaugural event in 2022, TANAKA has been producing and providing the medals awarded at the Tokyo Legacy Half Marathon, as well as the finisher medals presented to all runners who complete the race, and this will be their fifth time providing them.
